

## FALL 2017 FINAL EXAM AND WINTER BREAK SCHEDULES

### FINAL EXAM DATES AND TIMES

The first scheduled meeting time for a class determines the final examination period for that class. Classes having a common final examination for all sections should consult the schedule below for the exam times of common finals.

**Students with a time conflict between a common final and a final exam scheduled opposite the common final in a regular class period should take a copy of their class schedule to the coordinator of the common final exam (consult academic department for coordinator's name) and request accommodation for the time conflict. If one or more of your classes do not show a final exam scheduled on your student center, contact your instructor for the date, time, and location for that exam.**

To print a copy of the schedule, please utilize the pdf version to ensure proper formatting: [Fall 2017 Final Exam Schedule](#)
